

Department of Civil Aviation – Sri Lanka .  
**Aviation Safety Notice**

---

**Subject:** Validation of Foreign Approved Maintenance Organizations

**Nature:** Advisory

**Status:** New

**Issue No.:** 01

**Date of Issue:** 15.03 2002

**Objective:** To inform operators procedures to be adopted to validate foreign AMO Certificates

**Background:** Local airlines who operate on international routes make use of foreign AMO's to certify aircraft at Line Stations. Such AMO's should be approved by the DCA.

**Recipients:** All Opeartors

**Effective Date:** 01. 04.2002

**Validity:** Until further notice

**Contact person:** Airworthiness Division of the Department of Civil Aviation

**Availability:** A copy of this document is available for reference at the Communication Centre, Department of Civil Aviation, 64, Galle Road, Colombo 3.

Department of Civil Aviation – Sri Lanka .  
**Aviation Safety Notice**

---

**Concept:**

**Procedures for Validation :** The following documents should be submitted for validation of Foreign AMO Certificates -

1. An application from the Organization along with the appropriate fee should be submitted to the Department one month prior to the date the approval is required.
2. A copy of the Organization Approval along with ratings and limitations granted to the Organization by its local authority.
3. The Maintenance Control Manual or its equivalent of the applicant organization.
4. An amendment to the Sri Lankan Airlines MCM addressing the Line Maintenance of Aircraft at the requested station.
5. Details of training on Sri Lankan Airlines Maintenance Procedures, given to relevant Organization or the procedures in place to achieve this purpose.
6. Either a list of personnel to whom certification privileges will be granted or the procedure in place to ensure that only appropriately endorsed personnel with necessary training on the Sri Lankan Airlines Procedures will release aircraft.
7. Copy of Contract Agreement between the Sri Lankan Airlines with the relevant organisation.

The DCA Airworthiness Inspectors may inspect the line Station AMO to satisfy themselves that they meet the Sri Lankan standards.
